the long preservation of the
sacred persons of the Kingj

OYAL King JAMES_s
Honour of
names,
England's bliss,
We, happy in
this, Pray we
ever Life fail
thee never! But
flourish and be
As the bay tree,
Evermore green,
Fresh always
seen! Virtue
attend thee Till
Death end thee!

We thus entreat GOD's powerful will
To guide, keep, bless, and guard thee
still!
That under *GQD*₉ heavens, King and
thee?
Our safe abidings still may be!

From harmful
tongues That wish
thee wrongs; From
traitor's hate.
